PREPARED: June 19, 2019

Housing Commission Staff Report

MEETING DATE: 06/26/2019

June 19, 2018

TO: Hutchinson Housing Commission

FROM: Amy Allison, AICP, Senior Planner

THROUGH: Ryan Hvitlæk, AICP, Director of Planning & Development

SUBJECT: Brush Up Hutch – Policy Amendment

STAFF RECOMMENDATION:

Staff recommends approval of the following recommendations.

MOTION:

Motion to (approve / amend and approve / deny) the recommendation to City Council to include investor owned properties with one structure per parcel as eligible to receive funds from the Brush Up Hutch! Paint Program.

BACKGROUND:

The Brush Up Hutch Paint Program was established in June 2011 with the objective of assisting low-income homeowners with the cost of painting the exterior of their homes. Since that time, 100+ houses have been painted across the community. Annually, Staff examines the Brush Up Hutch! Paint Program performance for ways to improve the program. Recommendations are included in the analysis section.

ANALYSIS:

Policy

1. During the 2018 review of the program, a suggestion was made and discussed about opening the program for investor-owned or rental properties. As part of the neighborhood work, it was recognized that improving deteriorated rental housing was just as important to the process as improving owner-occupied. Other programs have been implemented with the inclusion of rental eligibility and those improvements have been impactful to the overall health of the neighborhood.

To be eligible, staff recommends following the same eligibility requirements as owner-occupied units. The structure in question must be valued below \$50,000, as assessed by the County Appraiser's Office, or rental units can income qualify based on the income of the tenant household. Staff has also included a limit to the number of structures per parcel that can receive a reimbursement. Staff proposes one structure per tax parcel.

If monetary assistance is provided to rental properties, staff suggests that those properties must continue to be made affordable to the public for a period of time. Staff's recommendation would be to require a freeze of rent at its current rate for 2 years. This will not only allow for the property to be improved but also keep the unit available to those populations most in need.

The recommended changes have been provided in Exhibit A.

Staff recommends including investor-owned properties as eligible for the program.

NEXT STEPS:

Following the Housing Commission's positive recommendation of these changes, the following steps will be taken:

1. City Staff will forward the Policy change to the City Council for approval.

BRUSH UP! HUTCH PAINT PROGRAM

Purpose.

In order to improve the visual appeal of our community and alleviate some of the expenses of maintaining the appearance of homes, the Housing Commission maintains the Brush Up! Hutch Paint program. The Brush Up! Hutch Paint program provides an incentive to cost-burdened property owners to assist them with the cost of painting their house and accessory buildings.

Timing.

Applicants can apply for a Brush Up! Hutch Paint program reimbursement grant from March 1st to August 31st. Planning staff will either approve or deny an application for the program, and may enlist the assistance of the Housing Commission. Upon receiving an approval certificate, applicants shall have 90 days to paint their home and any approved accessory structures. Once a home is painted and inspected by staff, property owners are reimbursed for the cost of paint in accordance with the provisions below. Applicants may request an extension of time beyond the initial 90 days and staff may approve one extension not to exceed 60 days.

Program Provisions.

1. Brush Up! Hutch Paint reimbursement grants are available for homeowner-and renter occupied, residential properties only. These include properties under Land Contract. Eligible rental properties are limited to parcels which have one building per taxing parcel, with reimbursement based on the number of principal structures, not housing units. All properties must be located within the City Limits. Awardees must submit a Brush Up! Hutch Paint program application and supporting documentation in order to be eligible for the program.
2. Awards shall be granted on a revolving basis, dependent upon the amount of funds remaining in the Brush Up! Hutch Paint program account.
3. The maximum paint reimbursement is \$ \$500. For larger homes or those with considerable paint needs, the applicant may request funding up to \$700, if pre-approval is granted by the Housing Commission.
4. Reimbursement is ONLY for paint purchases.
5. Reimbursement is only for materials purchased after approval of the Brush Up! Hutch Paint program application. No reimbursement will be made for paint purchased prior to the approval date.
6. Applications will be reviewed and approved from March 1st through August 31st of the year as long as funding is available.
7. Prior to reimbursement, property owners must place four-inch-tall house numbers that are visible from the street on their house.
8. For homes requiring Lead Safe Work Practices using trained volunteer labor, an additional stipend for the cost of safety equipment may be granted in an amount not to exceed \$150 per house.
9. Staff may approve applications for non-profit supervised projects submitted after August 31st.
10. Projects utilizing volunteer assistance will be approved on a case-by-case basis by Interfaith Housing Services, Inc. Rental properties will not be eligible for assistance.
11. Rental properties who utilize the Brush Up Hutch paint program will be required to freeze monthly rents at the current rental rate for 2 years. Landlords must sign an affidavit agreeing to these terms prior to program approval.

Program Criteria.

1. Planning and development staff will visually inspect and take photos of all Brush Up! Hutch Paint program grant application properties.
2. Grants shall be based on meeting all of the following attributes:
 - a. Paint on the house is peeling or fading.
 - b. Homeowners or tenants must meet the income restrictions of the program (maximum 120% of area median income).
 - c. Alternatively to 2b., the house is valued below \$50,000 by Reno County Appraiser.
3. The Housing Commission reserves the right to reject consideration of any or all applications.

Reimbursement.

1. Grant awards shall consist of a reimbursement of paint and pre-authorized expenses only following submission of receipts and inspection of the work.

DRAFT

RENTAL REGISTRATION AND INSPECTION PROGRAM POLICY

Purpose.

The Rental Registration and Inspection Program was established to correct and prevent housing conditions that adversely impact life, health, safety and general welfare of tenants and the City of Hutchinson. The program was designed to protect the quality, character and stability of residential areas while preserving the value of properties. The program also collects and maintains an active list of residential rental properties.

Rental Registration.

A registration of all residential rental units will be administered by the Hutchinson Planning & Development Department annually. Registration notices will be sent to property owners or designee at least two months prior to the registration deadline. Registration notices will include the property owner information on record, a list of residential rental units owned by the property owner and the registration fee, per registration fee schedule, for each unit. If the owner of record does not reside within 100 miles of the City, a resident agent's name and contact information will be required. Completed registration forms, including updated information, and payment of all registration fees are due by January 31st of every year. Upon completion of registration, property owners will receive confirmation of registration via a Certificate of Rental Registration.

Registration Fee Schedule:

Single Family Dwelling Unit:	\$20 per unit
Other Dwelling Unit:	\$20 per unit
Duplex/Triplex:	\$20 per unit
Apartments:	\$15 per unit

Residential units that meet the following exemptions will not have to comply with the Rental Registration requirements:

- Hotels and Motels
- Owner occupied units
- Transient/ congregate care uses such as bed and breakfasts, campgrounds, group homes or adult care homes, assisted living facilities, extended care facilities, dependent living facilities, nursing care facilities, extended stay lodging, educational institution dormitories, and parsonages if located on the same premises as a religious assembly
- Land contracts
- Properties where the unit is offered for "LET" and no rental agreement is in place

Rental Inspection.

Property owners must notify the Building Official of a change of occupancy for any unit that is registered within City Limits. Upon notification, the Building Official or designee will schedule an inspection for the unit before the unit is occupied. If the Building Official is unable to schedule an inspection prior to the unit becoming occupied and the property owner or designee has given a minimum of 48 hours notice, a non-inspected certificate can be issued at the discretion of the Building Official. Non-inspected certificates notify the tenant that the property had not been inspected prior to occupation and if the tenant wished, they could request an inspection within 15 days of the move-in date.

Once an inspection has been completed, the Building Official will either issue a Certificate of Rental Compliance, notify the landlord of any violations that need to be corrected or enter into an agreement with the Landlord to allow the tenant to occupy the structure. To approve such agreement, the Building Official must determine that any of the code violations found will not endanger the health or safety of the occupant. If approved, the Landlord must sign an affidavit stating that they will fix the noted minor deficiencies by the stated date. Once the deficiencies have been remediated, a Certificate of Rental Compliance will be issued. If the landlord does not comply, the City will proceed per current code violation policy. The tenant must be notified of the temporary agreement and a list of violations provided to them.

No fees will be charged for the initial re-inspection. The Building Official may charge a \$100 inspection fee for every re-inspection after the initial re-inspection.

Inspections will be based on the International Property Maintenance Code as adopted by the City of Hutchinson. Results of inspections will be available as public record.

Penalties and Fine Schedule.

Failure to register a rental by January 31st will result in a \$20 administration fee per unit for each month a unit goes unregistered. If registration is not completed by June 30th of each year, every unit not registered will be in violation of Sec. 21-1103 of City Ordinance, and the property owner will be referred to court. Whenever the penalty is to be a fine for failure to register, the following fees will be applied:

- First Violation: \$50.00
- Second Violation: \$100.00
- Third Violation: \$200.00
- Fourth Violation: \$300.00
- Fifth and any subsequent violations: \$500.00

Failure to report a change in occupant to the City will result in a violation of City Ordinance. The City will refer all cases to court. Whenever a penalty is to be a fine or a fine and imprisonment, the following fees will be applied:

- First Violation: \$50.00
- Second Violation: \$200.00
- Third Violation: \$300.00
- Fourth Violation: \$400.00
- Fifth and any subsequent violations: \$1,000.00

Failure to correct any violation(s) found during an inspection will follow the typical code enforcement process. If further non-compliance continues, the violation(s) will be referred to court. Whenever a penalty is to be a fine or fine and imprisonment, the following fees will be applied:

- First Violation: \$50.00
- Second Violation: \$200.00
- Third Violation: \$300.00
- Fourth Violation: \$400.00
- Fifth and any subsequent violations: \$1,000.00

Additional Requirements.

Owners and agents of registered rentals are required to deliver a copy or notify the tenant of a location to find a copy of the Kansas Landlord Tenant Law pamphlet, as provided by the State of Kansas. The owner must obtain a written confirmation from the tenant that notification was given.

If the City receives a complaint from the tenant, the tenant must sign a consent form to enter the property prior to any interior inspections occurring. If the tenant has been served an eviction notification by the Reno County Sheriff's Department then the City will not inspect the property until the landlord notifies the city that the unit is vacant. If the landlord fails to notify the City that the unit is vacant, the city will pursue the above penalties.

Program Measures.

The Director of Planning & Development and the Building Official will make public the results of rental registration and rental inspections. A monthly report will be provided to the Hutchinson Housing Commission including, but not limited to, the number of units registered, the number of units inspected, the number of violations found, the number of units that passed or preliminarily passed inspections.
