The City of Hutchinson is encouraging residents to dispose of their live Christmas trees in an eco-friendly way this year. This benefits our community in multiple ways. It helps decrease the amount of debris hauled to the landfill and it's used as mulch for city projects.

The Christmas tree drop-off location are located in Carey Park at the Salt City Splash Aquatic Center parking lot and at Rice Park 44 Swarens at the south end of Swarens Street. Both of these sites will open Saturday, December 26, 2015 until Friday, January 8, 2016. Trees must be free of all lights, decorations and stands. City parks hours are 5am to midnight.

If you have any questions, please contact Jeremy Lindahl, Horticulture and Forestry Superintendent for the City of Hutchinson at 620-694-2670.
