BEST OF GUESSERS FELL SHORT ON PRIMARY VOTE

All Estimates Were Short of 220,000 Votes Cast. Vote on Governor and United States Senator Breaks All Records and Minor State Officers Got Economic Vote.

The vote count after three calculations and breaks all primary records by casting 276,000 ballots for United States senator. The vote, as is shown by the table, was not so large for governor, and the slump in heavy on the state positions before that office.
