The housing authority shall not operate any housing program in a for profit manner or as a source of revenue to the municipality. 1. To pay, as the same become due, the principal and interest on any bonds issued pursuant to this code;
2. To create and maintain such reserves as may be required to assure the payment of principal and interest as it becomes due on such bonds;
3. To meet the cost of, and to provide for, maintaining and operating the programs (including necessary reserves therefor and the cost of any insurance and of administrative expenses); and
4. To make such payments in lieu of taxes and, after payment in full of all obligations for which federal annual contributions are pledged, to make such repayments of federal and local contributions as it determines are consistent with the maintenance of the low-rent character of programs.

b. Rentals or payments for dwellings shall be established and the programs administered insofar as possible, so as to assure that any federal financial assistance required shall be strictly limited to amounts and periods necessary to maintain the low-rent character of the programs. Nothing herein shall be construed to limit the amount an authority may charge for non-dwelling facilities. All such income, together with other income and revenue, shall be used in the operation of the programs to aid in accomplishing the public purposes of this code.

(Ord. 7145, Adop. 9/13/1988)

Sec. 2-1314 Determinations by Housing Authority.

In determining whether dwelling accommodations are unsafe or unsanitary, the housing authority shall take into consideration the physical condition of the dwelling accommodations, the degree of overcrowding, the size and arrangement of the rooms, the adequacy of sanitary facilities and water supply, and the extent to which conditions exist in the buildings which endanger life or property by fire or other causes. *(Ord. 7145, Adop. 9/13/1988)*

Sec. 2-1315 Housing Rentals and Tenant Admission.

a. The housing authority shall:

1. Rent or lease the dwelling accommodations in a housing program or otherwise provide housing assistance only to persons of low income and at rentals within the financial reach of such persons;

2. Rent or lease or provide housing assistance to a tenant for such dwelling accommodations consisting of the number of rooms which it deems necessary to provide safe and sanitary accommodations to the proposed occupants thereof, without overcrowding; and

3. Fix income limits for occupancy, rents and program participation after taking into consideration the family size, composition, age, physical handicaps, and other factors which might affect the rent paying ability of the family, including the economic factors which affect the financial stability and solvency of the program.

b. In computing the rental for this purpose of admitting tenants, there shall be included in the rental the average annual cost (as determined by the authority) to occupants of heat, water, electricity, gas, cooking fuel and other necessary services or facilities, whether or not the charge for such services and facilities is included in the rental.

c. The authority shall give a preference to those persons who occupied dwellings which were razed so that a slum could be cleared or housing could be constructed and to elderly persons whether or not so displaced, and who desire to participate in a housing program, if such persons are otherwise qualified to participate in such housing program. Notwithstanding the provisions hereof, the authority may agree to conditions as to tenant eligibility or preference required by the federal government pursuant to federal law in any contract for financial assistance. Further, notwithstanding the provisions hereof, nothing herein shall be construed to limit the amount of rental that the authority may charge or the tenants that the authority may admit for non-dwelling facilities. All such rental, together with other income and revenue shall be used in the operation of the programs to aid in accomplishing the public purpose of this code.

d. Nothing contained in this or the preceding section shall be construed as limiting the power of the housing authority, with respect to a housing program, to vest in an obligee the right, in the event of a default by the City, to take possession or cause the appointment of a receiver thereof, free from all the restrictions imposed by this or the preceding section. *(Ord. 7145, Adop. 9/13/1988)*

Sec. 2-1316 Acquisition of Property by Eminent Domain.

The City shall have the right to acquire by the exercise of the power of eminent domain any real property which it may deem necessary for its purposes under this code after the adoption by the Governing Body of a resolution declaring that the acquisition of the real property

described therein is necessary for such purposes. The City may exercise the power of eminent domain in the manner provided in article 5 of chapter 26 of Kansas Statutes Annotated and any acts amendatory thereof or supplemental thereto. (Ord. 7145, Adop. 9/13/191988)
