

Sponsored by the Hutchinson Housing Commission and the Hutchinson Planning & Development Department.

Program Purpose

The purpose of the *Brush Up Hutch! Paint Program* is to assist eligible homeowners in the City of Hutchinson with the cost of repainting the exterior of their homes and to alleviate deteriorating housing conditions within the City.

This program was established in conjunction with the adoption of the *International Property Maintenance Code* (effective on July 1, 2011). Because the code requires home exteriors to be painted, homes in the greatest need of paint will be given highest priority to receive funding.

How to Apply

Application Review

Each application submitted to the City will be carefully reviewed, based on the aforementioned eligibility requirements, by Planning & Development staff members. The City of Hutchinson reserves the right to decline consideration of any and all applications if eligibility requirements are not met or if funding is not available within a calendar year. Declined applications may be kept on file and considered the following calendar year.

Application Approval

Once the application is approved, the applicant will be notified and given a certificate of approval. The City will then take a “before” picture of the house. The applicant has 90 days to paint the exterior of his/her home. An “after” picture will be taken of the completed project. Once the painting is completed, the applicant may bring in receipts for the paint and the City will reimburse the applicant up to \$500.

Home Address Numbers

To qualify for reimbursement, home address numbers that are a minimum of four inches high and clearly visible from the street must be present.

Paint Supplier Discounts

In the past, some local retailers provided discounts on paint with proof of participation in the *Brush Up Hutch! Paint Program*. However, because store policies change from year to year, the City of Hutchinson cannot ensure that these discounts are still in effect. Please contact your paint retailer for individual policies on discounts.
